Please answer the questions below (max 50 words per answer)

What type of business is it, and why was it set up?

How has the business grown, and how has this been measured? (E.g. – increased employees; increased clients; increased turnover)

What barriers were encountered when starting the business, and how were these overcome?

Was support received from a PRIME Cymru mentor? If so, how was the experience?

What are the plans for the future of the business?
